MEMORANDUM

Order No. 051
Series of 2022

FOR : **ALL CONCERNED**
The Ministry

SUBJECT : **REGIONAL SCIENCE AND TECHNOLOGY WEEK 2022**

DATE : November 18, 2022 |

The Regional Science and Technology Week (RSTW) is a week-long celebration to highlight the significant contributions of science and technology to the development of the region and serves as a platform for promoting S&T advocacy in the region.

The RSTW is an annual activity conducted by the Department of Science and Technology (DOST) in its regional offices. This stemmed from the same annual activity conducted in the National Capital Region which is the National Science and Technology Week (NSTW).

This year's RSTW will be conducted on **December 1-2, 2022** at the **SKCC, Cotabato City** via a hybrid set-up of a two-day physical exhibit and convention, simultaneous with a half-day virtual lecture on the afternoon of the first day. The celebration will showcase the different S&T interventions provided by the Ministry of Science and Technology (MOST). It will also promote the different services, projects and programs currently implemented in the region. Other important activities of the RSTW include the various awards for recognized inventors and innovators from the region, as well as recognition of the beneficiaries; in addition to that is the conduct of science, technology and innovation fora and lecture series with the theme, "Agham at Teknolohiya: Kabalik at sa Maunlad at Matatag na Kinabukasan".

With this, the following personnel mentioned in the list attached herewith are hereby directed to attend the said activity.

For **information and compliance**.
