**SUBJECT :** REQUEST TO SUBMIT LIST OF BAKERIES FOR  
ADOPTION OF ENHANCED NUTRIBUN TECHNOLOGY

**DATE :** 14 March 2024

The Enhanced Nutribun is one of the DOST-FNRI's answer to the call of the Department of Social Welfare and Development's (DSWD) Memorandum Circular No. 12 Series of 2020, or the Guidelines in the Implementation of the Supplementary Feeding Program During Community Quarantine or Other Similar Emergencies.

The Enhanced Nutribun adaptation initiative aims to promote healthier eating habits and address nutritional deficiencies, particularly among vulnerable populations. By collaborating with local bakeries, we can diversify the range of Nutribun options available, catering to different dietary preferences and requirements.

With this, we are requesting a list of bakeries willing to adopt e-Nutribun technology within your provinces including their contact information (Name of Bakery, Owner, Address, and Contact number). Kindly submit the soft copy to our email address [sts.mostbarmm@gmail.com](mailto:sts.mostbarmm@gmail.com) on or before Friday, March 15, 2024.

The STS Division (STSD) thru its Technology Transfer Section (TTS) will coordinate with you further regarding this request.

For your guidance and strict compliance.

Minister
